ENHANCED ADVICE & GUIDANCE PERFORMANCE BENCHMARKS

[Find out more](#)

The Consultant Connect service is the UK's most widely used Enhanced Advice & Guidance system, connecting healthcare professionals and patients across the NHS. Take a deep dive into the definitive data of the impact of Enhanced Advice & Guidance.

INTRODUCING ADVICE AND REFER BY CONSULTANT CONNECT

[Find out more](#)

We're pleased to announce the launch of Advice and Refer by Consultant Connect. It links our advice platform, the most used in the NHS, with the e-RS referrals system. It's at least twice as fast as e-RS.

HOW CONSULTANT CONNECT IS SUPPORTING DERMATOLOGY REFERRALS IN CALDERDALE

[Find out more](#)

We spoke with an **Apprentice Healthcare Assistant and General Practitioner's Assistant at Bankfield Surgery**, to find out how **PhotoSAF** fits into her everyday role and benefits her patients.

GP CASE STUDY: ENHANCED ADVICE & GUIDANCE IN NORTHAMPTONSHIRE

[Find out more](#)

‘Dermatology Advice & Guidance is priceless and I could give you countless examples of when the service has benefited patients.’

Dr Barber, GP in Rushden.

PARAMEDIC CASE STUDY

[Find out more](#)

‘The Consultant Connect service helps alleviate some of the pressure placed on the Scottish Ambulance Service (SAS). It’s a fantastic service which benefits myself and my colleagues and most importantly out patients.’

Keith McRavey, Paramedic, SAS.

WEBINAR RECORDING AVAILABLE

[Find out more](#)

Did you miss our webinar on reducing RTT waiting times through triage and validation?

We've made the webinar recording available to watch on demand, and you can also access related materials and handouts.
